

VOLUNTARY CANCELLATION CERTIFICATE

Presented to:

CDM Project 0052: Salvador da Bahia Landfill Gas Management Project

Reason for cancellation:

"A BATTRE concessionária de operação do Aterro Sanitário Metropolitano Centro, no âmbito do Termo de Compromisso de Neutralização firmado com a Prefeitura Municipal de Salvador, comprova através do presente certificado a neutralização das emissões de carbono do evento Climate Week Salvador 2019. Os créditos de carbono utilizados foram gerados no projeto de geração de energia a biogás implementado pelo Grupo Solvi, que atualmente fornece energia renovável equivalente a uma cidade de mais de 200 000 habitantes. O projeto de biogás de Salvador foi um dos primeiros projetos de crédito de carbono do mundo e desde a sua entrada em operação já evitou a emissão de mais de 8 000 000 de toneladas de CO₂ para a atmosfera." "BATTRE, the operating concessionaire of Aterro Metropolitano Centro, under the Neutralization Commitment Agreement signed with the Salvador City Hall, hereby proves, through this certificate, the carbon emissions neutralization of the Climate Week Salvador 2019 event. The carbon credits used to the neutralization were generated in the landfill gas power generation project implemented by the Solvi Group, which currently supplies renewable energy to an equivalent city of more than 200 000 inhabitants. The Salvador landfill gas project has been one of the first carbon credit projects in the world and since its commissioning has already prevented the emission of more than 8 000 000 tons of CO₂ into the atmosphere."

Number and type of units cancelled

1,402 CERs

Equivalent to 1,402 tonne(s) of CO₂

Start serial number: BR-5-101264191-1-1-0-52

End serial number: BR-5-101265592-1-1-0-52

The certificate is issued in accordance with the procedure for voluntary cancellation in the CDM Registry. The reason for cancellation included in this certificate is provided by the canceller.
