

CDM project activity issuance review form
(By submitting this form, a Party involved (through the designated national authority) or an Executive Board member may request that a review is undertaken)

Designated national authority/Executive Board member submitting this form (Name in print)

Title of the proposed CDM project activity for which issuance is requested

Methane capture and combustion from swine manure treatment for Peralillo; Project Activity 0032

DOE that requested for issuance and date of request

TUEV-SUED 04-07-07

Please indicate, in accordance with paragraphs 65 of the CDM modalities and procedures, for which reason(s) you request review. (Place a cross (X) in front of the reason)

Fraud *Malfeasance* *Incompetence*

Please indicate reasons for the request for review and attach any supporting documentation to this request form. (if space is not sufficient please attach further reasons)

1. A clarification is required on whether the CO₂ concentration in the biogas flow required by the monitoring plan has been monitored.
2. The DOE is required to provide clarification on how the FAR 3 from the previous verification report has been resolved.
3. A clarification is required on why the emission reductions figures in the submitted spreadsheet are inconsistent with the ones in the monitoring report.
