CDM project activity issuance review form (By submitting this form, a Party involved (through the designated national authority) or an Executive Board member may request that a review is undertaken)

authority) or an Executive Board member may request that a review is undertaken)					
Designated national authority/Executive Board member submitting this form (Name in print)					
Title of the proposed CDM project activity for which issuance is requested	Santa Cândida Bagasse Cogeneration Project (0065)				
DOE that requested for issuance and date of request	SGS-UKL				
Please indicate, in accordance with you request review. (Place a cross	paragraphs 65 of the CDM modalities and procedures, for which reason(s) (X) in front of the reason)				
Fraud Malfeasance	<u>X</u> Incompetence				
Please indicate reasons for the requ form. (if space is not sufficient plea	uest for review and attach any supporting documentation to this request se attach further reasons)				

Reasons for request:

- The verification report does not clearly confirm that the meters have been calibrated properly.
- The monitoring plan does not specify the requirement for monitoring of the fossil fuel used within the project boundary, but the monitoring methodology applied to this project activity stipulates this requirement. The verification report does not indicate if this requirement has been complied with by the project activity.
