Attachment N1: [PIA - Schedule 5.doc](#)

Please see sections 1.3 and 2.5 of the Power Interchange agreement attesting to the level of accuracy of the meter and the frequency of calibration

Previous information refuting the need to calibrate after outages have been forwarded before.

Emilio, if there is any additional information that you need, please feel free to call me on my mobile as I am leaving office now.

Regards
Bert

Dear Mr. Brown,

As requested by telephone, please find attached Schedule 5 of the Power Interchange Agreement between JPSCo and Wigton Windfarm Limited with highlights on the accuracy required and the frequency of testing.

Best Regards,

Michelle Chin Lenn
