

Annex 51

Issuance

**Scope of the review on
“Lages Methane Avoidance Project” (0268)**

1. The Board agreed to undertake a review of the project activity “Lages Methane Avoidance Project” (0268).
2. The Board agreed that the scope of the review relating to issues associated with verification requirements shall cover an assessment to determine whether the increased supply of wood waste from the additional suppliers would have been left to decay in the absence of the project activity, and whether these biomass came from renewable resources.
