

TSI/J/E8.3/
04-07-2008

The Executive Board
United Nations Framework Convention on Climate Change (UNFCCC)

Dear Sirs,

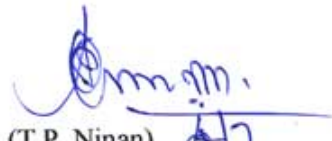

Sub: Installation of auxiliary metering system in the context of "TSIL - Waste Heat Recovery based Power Project" (Ref. No. UNFCCC 00000274)"

With regards to the "Review Request" for the "TSIL - Waste Heat Recovery based Power Project (Ref. No. UNFCCC 00000274)" dated 24.06.2008, TSIL (the Project Proponent) wishes to declare that adequate meters have since been installed from 3rd December'2007 in order to measure the auxiliary electricity consumption of the project activity power plant.

In the present the auxiliaries electricity consumption is being measured in accordance with the guidance of the approved consolidated methodology – ACM 0004/version : 01.

Thanking you,

Yours faithfully,

(T.P. Ninan)
Vice President (Operations)
