Sir,

Sub: Allotment of coal for use in Biomass based power project-Reg

Ref: Your Lr No. 95/2005-06, dated 07.12.2005

As requested by you in the above reference, NEDCAP recommended to M/s The Singareni Collieries Company Ltd, to issue permit to allot 8526 tones of coal of C- grade or below c-grade quantity (having GVC of 4500 Kcal/kg) for one year period to use in your power project. Hence, you are requested to approach to the Executive Director (M & M), M/s. The Singareni Collieries Company Ltd., post box No.18, Red Hills, Khairatabad, Hyderabad -500004 to obtain permit and lift the coal.

It may be noted that coal procured from M/s. The Singareni Colliers Company Ltd., is to be used in your power project only. Any deviation or misutilisation of the coal so procured would result not only in cancellation of procurement of coal in future but also suspension of approval for power project issued by NEDCAP. Under any circumstances, the usages of coal in your project shall not exceed 8526 MT during the year.

You are requested to give necessary documentary proof of proper utilization of coal procured from the Singareni Collieries periodically.

Thanking you,

Yours faithfully,

MANAGER (P&D)

CC to The Executive Director (M&M), M/s. The Singareni Collieries Company Ltd.,
Hyderabad for information and necessary action.
