

**Annex 39****Registration****Scope of the review on  
“2x5 Radhanagari Hydro Electric Project (0400)”**

1. The Board agreed to undertake a review of the project activity; “2x5 Radhanagari Hydro Electric Project (0400)”
2. The Board agreed that the scope of the review relating to issues associated with validation requirements shall cover:
  - (a) an assessment to determine the additionality of the proposed project activity,
  - (b) an assessment of the application of the approved methodology AMS-I-D, in particular with respect to the total installed capacity at the site.
3. The Board nominated Mr. Jean-Jacques Becker (lead), Mr. Xuedu Lu and Mr. Lex de Jonge as members of the Review Team of this case. The review team may call on outside expertise in consultation with the Chair of the Board, as appropriate.
