

# CERTIFICATE OF CONFORMITY

**Comark Limited**

Date of Issue

28 DEC 2005

Comark House  
 Gunnels Wood Park, Gunnels Wood Road  
 Stevenage, Herts SG1 2TA  
 England  
 Tel: 01438 (+44 1438) 367367  
 Fax: 01438 (+44 1438) 367400

a VIDA GROUP company

Identification/ Serial No.	Model Type — Description	Qty	Specification/ Drawing Ref.
64558/2	C9553      Pressure Meter	1	Original Comark Specification

Conditions of Material

Deviations/Concessions

Certified that the whole of the supplies detailed hereon have been inspected, tested and — unless otherwise stated above — conform in all respects with the requirements of the relevant Comark Limited specification and drawings.

### DECLARATION OF CONFORMITY

This Declaration of Conformity is issued for the above listed apparatus and in accordance with the protection requirements of the EMC Directive 89/336/EEC certifies that the apparatus complies with the European Harmonised Standards as applicable to the stated Comark specification:

BS EN 50081-1

IEC 801-3

IEC 801-2

*David French*

David French - Quality Manager

Manufactured/Supplied by Comark Limited  
 Whose Quality System is Registered by BSI.  
 BSI Certificate of Registration No. FM12129

### CERTIFICATE OF CALIBRATION QUOTATION FORM

*Please note that Certificates of Conformity do not equate to or replace Certificates of Calibration (required for regulatory purposes). Temperature certification by the Comark UKAS accredited laboratory, which has attained the highest standard available from UKAS, and certification for other parameters traceable to National Standards can be provided. Customers outside the UK should return instruments for UKAS certification direct to Comark. For other certification return instruments to original place of purchase. For details and a quotation please return this form to the address above, or call Comark Customer Support on 01438 (+44 1438) 367367 or your Distributor.*
