

关于调整结算日期的说明

为进一步加强省内电量结算工作的管理，吉林电网电力交易中心根据省经委和省电力公司的有关要求，对各发电厂每月电量结算日期做如下调整：“本月报出上网电量”为上月 25 日零时至本月 25 日零时的上网电量。

Translation:

Change of Electricity Transaction Period

In order to facilitate electricity transaction and improve the management of this process, Jilin Power Grid Electricity Transaction Center has decided to adjust the electricity transaction period of each power plant following the guidance of Provincial Economical Commission and Provincial Power Company. The electricity transaction period will start from 0:00 on 25th of last month and end at 0:00 of 25th of the following month, i.e., “the on-grid power for each month” should be reported for the aforementioned period.
