

**Annex 35****Issuance****Scope of the review on
“4 MW renewable energy project by Sri Kalyani Agro Products & Industries Ltd.” (0768)**

1. The Board agreed to undertake a review of a project activity “4 MW renewable energy project by Sri Kalyani Agro Products & Industries Ltd.” (0768).
2. The Board agreed that the scope of the review relating to issues associated with verification requirements shall cover an assessment to determine how the DOE verified that the operational changes in the cogeneration plant as operational in accordance with the PDD considering that:
 - (a) The plant was operating consistently at higher operating hours during the last three years (2006-2009); and
 - (b) The cogeneration plant was supplying higher percentage of electricity generated for captive consumption in the steel and rice mills during the last three years (2006-2009).
