Sub: Clean Development Mechanism

Please refer your Note No. KDMIPE/NT/1/ (2)/2005 dt.15.07.2005 on the subject and find the details on query as under.

After C&MD's approval a three member committee was formed comprising of Dr. D M Kale, ED-IRS/COIN, Shri A. Mahalanobis, GGM-Chief, TS and Shri A. B. Chakraborty, GM- Head HSE, who met and deliberated/documentated for short listing of consultants as under.

- a. Ernst & Young Pvt. Ltd. Pune
- b. Price water House Coopers(P) Ltd. Mumbai
- c. The Louis Berger group, Inc., New Delhi
- d. TERI, New Delhi

Based on short listing of the consultants, queries regarding Tender were sent to all the four consultants on dt.19.05.05. Unfortunately only one tender was received till the time limit on dt.05.07.05 and second tender received after the deadline hours on the same date. The document received late was returned un-opened, to the consultant. As only one tender was received in time Tender committee met and deliberated that in absence of sufficient competition this will be termed as the single tender basis. To have the sufficient competition it was deliberated to go for re-tender. Again enquiries were sent to all four participants on 11.08.05 and the tender opening is fixed on dt. 25.08.2005.
