

OIL AND NATURAL GAS CORPORATION LIMITED
HAZIRA PROJECT

No. HZR/OPS/HOP/CDM/15/2003-04

Date: 8th May 2003

From: S.K.Pandey, CE(P), Hazira Plant
To : GM-Head HSE, Mumbai
Sub : <i>Flare Gas Recovery Project-An environment friendly technology under Global Compact Principles.</i>
Ref : Note No.ONGC/CSHE/ONGC Annual Report/ 2002-03 Date :31.08.02

This report has a reference to the note as mentioned above.

In line with the Global Compact Principle 9 (Clean Development Mechanism), we are continuing our efforts towards implementation of the project on "Flare Gas Recovery Unit". We have received the project report from IOGPT. We are facing many problems regarding the project implementation. However, we hope to overcome the problems in due course of time. We would apprise you about the project development in future.
