

REVIEW OF THE PROJECT ACTIVITY

Optimization of steam consumption in the process by installation of free flow falling film finisher evaporator and retrofit to the chemical recovery boiler in Cachar Paper Mill of Hindustan Paper Corporation Limited (1475)

At its fortieth meeting the Board could not register the project activity submitted for registration by the DOE (DNV) because the project participant and DOE failed to substantiate the additionality of the project activity, in particular the serious consideration of the CDM in the decision to proceed with the project activity.
