

**Annex 6****Registration****Scope of the review on  
“Nanchang Maiyuan Landfill Gas Recovery and Utilisation Project” (1745)**

1. The Board agreed to undertake a review of the project activity “Nanchang Maiyuan Landfill Gas Recovery and Utilisation Project” (1745).
2. The Board agreed that the scope of the review relating to issues associated with validation requirements shall cover a review to determine the additionality of the project activity through an assessment of the investment analysis, in particular whether:
  - (a) The following operating costs: “construction of dams and roads”, “waste compaction” and “leachate drainage and maintenance”, are applicable to the project activity itself and not to the operation of the landfill, in which case such costs would have been incurred in the baseline scenario; and
  - (b) The values assumed for such costs are appropriate.
