

**Annex 08****Registration****Scope of the review on****“Emission reductions through partial substitution of fossil fuel with alternative fuels in three cement plants of Holcim Philippines Inc.” (1806)**

1. The Board agreed to undertake a review of the project activity “Emission reductions through partial substitution of fossil fuel with alternative fuels in three cement plants of Holcim Philippines Inc.” (1806).
2. The Board agreed that the scope of the review relating to issues associated with validation requirements shall cover a review to determine the correctness of the application of the approved methodology through an assessment of the baseline selection, in particular the validation of the likely evolution of the fuel mix in the three project activity sites..
