

**Annex 30****Registration****Scope of the review on
“Heilongjiang Yilan Hezuolinchang Wind Power Project” (2062)**

1. The Board agreed to undertake a review of the project activity “Heilongjiang Yilan Hezuolinchang Wind Power Project” (2062).
2. The Board agreed that the scope of the review relating to issues associated with validation requirements shall cover a review to assess the additionality of the project activity through an assessment of the investment analysis, in particular:
 - a) the assumptions related to the tariff applicable to the project activity are not consistent with the feasibility study report and therefore the Board wishes to assess the suitability of the tariff assumption contained in the PDD submitted for registration;
 - b) the discrepancy found in the IRR calculation when applying the tariff sourced from the feasibility study report.
