

**Annex 55****Registration****Scope of the review on
“Zhoujiayuan Hydropower Project in Hubei Province” (2212)**

1. The Board agreed to undertake a review of the project activity “Zhoujiayuan Hydropower Project in Hubei Province” (2212).
2. The Board agreed that the scope of the review relating to issues associated with validation requirements shall cover a review to assess the additionality of the project activity, through an assessment of continual and real actions taken to secure the CDM status of project activity in parallel with project implementation, as there is a gap of 20 months between start date of the project activity (30 November 2005) and signing of ERPA (12 July 2007) and a gap of 23 months between start date and start of GSP/validation (October 2007).
