

**Annex 38****Registration****Scope of the review on****“Rural Education for Development Society (REDS) CDM Photovoltaic Lighting Project” (2279)**

1. The Board agreed to undertake a review of the project activity “Rural Education for Development Society (REDS) CDM Photovoltaic Lighting Project” (2279).
2. The Board agreed that the scope of the review relating to issues associated with validation requirements shall cover a review to determine the applicability of the methodology regarding the baseline emission calculation, as the reported baseline of five (5) lamps per household has not been sufficiently substantiated given the historical data show that an average of three (3) kerosene lamps in each household are used.
