

**Annex 39****Registration****Scope of the review on
“Sichuan Furong Coal Mine Methane Utilization Project” (2677)**

1. The Board agreed to undertake a review of the project activity “Sichuan Furong Coal Mine Methane Utilization Project” (2677).
2. The Board agreed that the scope of the review relating to issues associated with validation requirements shall cover a review to assess the:
 - (a) Additionality of the project activity through an assessment of the suitability of:
 - (i) Input values to the investment analysis, in particular, the weighted average electricity tariff and the income from selling heating for residential use; and
 - (ii) Changes made to versions 3 and 6.2 of the PDD, in particular, the O&M costs; and
 - (b) Baseline determination, as with the government initiative in Yibin city to use CMM gas for captive power generation, the project activity could become the baseline.
