

**Annex 19****Registration****Scope of the review on
“Huadian Beijing Natural Gas based Power Generation Project” (2930)**

1. The Board agreed to undertake a review of a project activity “Huadian Beijing Natural Gas based Power Generation Project” (2930).
2. The Board agreed that the scope of the review relating to issues associated with validation requirements shall cover a review to determine the applicability of the methodology as the identified baseline alternatives are purely for electricity generation while the project activity is a cogeneration project that provides electricity as well as district heating.
