

**Annex 53****Registration****Scope of the review on****“11.4 MW Bundled Small Hydropower Project in Shanjunyan and Liaoli, Guizhou Province, P. R. China” (2251)**

1. The Board agreed to undertake a review of the project activity “11.4 MW Bundled Small Hydropower Project in Shanjunyan and Liaoli, Guizhou Province, P. R. China” (2251).
2. The Board agreed that the scope of the review relating to issues associated with validation requirements shall cover a review to assess the additionality of the project activity, through an assessment of the suitability of the assumed electricity supply to the grid in the investment analysis, as it has not been demonstrated that the coefficient of effective electricity is an accurate assumption in the context of the project activity, in particular, the submitted VR (p.11) stated that the FSR does not take into account this 15% loss.
