December 3<sup>rd</sup> 2007

Dear Members of the CDM Executive Board,

Please find below the description of the modification brought to the PDD following the requests for review of the "Project 1105: Changshu Haike HFC 23 Decomposition Project".

Page 2: Version number and date.

Page 2: The statement "*This production facility consists in one single HCFC 22 production line*" has been added in the second paragraph of A.2

Page 10: ID numbers have been added to the figure 6.

Page 17: 5) The sentence "*The cut-off condition [...] basis*" has been replaced by "*The actual situation [...] 2004*".

Page 17: B.6.2: "*Source of data used*" for Q\_HCFC 22<sub>Hist</sub> has been modified and one comment was added.

Page 17: "*Source of data used*" for w has been modified and one comment was added.

Page 21, 22, 23, 24, 25 and 26: ID numbers have been added.

Page 24: The statement "*This project has not sold, and will not sell any HFC 23 in future*" was added.

Page 28 and 29: ID numbers have been added to the figure 7 and to the description of the monitoring plan.

Page 36: The statement "*The efficiency of these noise reduction measures will be inspected and approved by local authority before project start-up*" was added in the first paragraph.

Best regards,

Fucai WANG
