

**Annex 44****Registration****Scope of the review on****“Trang Palm Oil Wastewater Treatment Project in Trang Province, Thailand” (3335)**

1. The Board agreed to undertake a review of a project activity “Trang Palm Oil Wastewater Treatment Project in Trang Province, Thailand” (3335).
2. The Board agreed that the scope of the review relating to issues associated with validation requirements shall cover a review to assess the additionality of the project activity through an assessment of the suitability of the benchmark, as it is not clear:
 - (a) How the method used to calculate the benchmark is conservative and complies with the VVM, version 1.2 paragraphs 112 and 114 (b) and with the guidance on investment analysis paragraphs 13-15; and
 - (b) How the 18.53% benchmark was considered relevant in the context of the project activity since it is not clear how the selected data sources were selected and whether these are applicable to the project activity.
