Kind Attn : Mr. M.K. Saxena

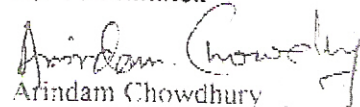

Subject: Life assessment of DG Sets.

Dear Sir,

If you strictly follows the Caterpillar operation and Maintenance Manual and use original Caterpillar Parts then your DG Sets able to cover atleast two major overhaul, since you have the option to grind the crankshaft twice for further re-use, therefore, life of Caterpillar DG Set is atleast 100000 hours.

Thanking you.

Yours faithfully,
For TIL Limited
