

**Annex 54****Issuance****Scope of the review on
“Upgradation, Operation and Maintenance of 200 TPD Composting facility at Okhla, Delhi”
(2470)**

1. The Board agreed to undertake a review of the project activity “Upgradation, Operation and Maintenance of 200 TPD Composting facility at Okhla, Delhi” (2470).
2. The Board agreed that the scope of the review relating to the issue associated with verification requirements shall cover an assessment to determine for not adopting a conservative approach or submit a request for deviation on the delayed calibration of weighbridge and the non-calibration of the electricity meter during this monitoring period prior to submitting request for issuance, as per VVM version 01.1 paragraph 207 (a).
