

**Annex 55****Issuance****Scope of the review on  
“Upgradation and expansion of A.P.M.C compost plant at Tikri, Delhi” (2502)**

1. The Board agreed to undertake a review of the project activity “Upgradation and expansion of A.P.M.C compost plant at Tikri, Delhi” (2502).
2. The Board agreed that the scope of the review relating to the issue associated with verification requirements shall cover an assessment to determine how the DOE verified the emission reductions calculation as the amount of waste composed from the start date of the project activity (01/10/07) has been used in the emission reductions calculation for this monitoring period, considering the registered PDD does not consider the waste disposed from 01/10/07 until the start date of the crediting period (18/07/09).
