

**Annex 15****Registration****Scope of the review on  
“Utilization of waste gas heat for power generation” (2504)**

1. The Board agreed to undertake a review of the project activity “Utilization of waste gas heat for power generation” (2504).
2. The Board agreed that the scope of the review relating to issues associated with validation requirements shall cover a review to assess the additionality and baseline selection for the project activity through an assessment of the input values to the investment analysis, in particular, O&M cost and escalation of O&M cost, furnace oil consumption, escalation in furnace oil price, contingency costs and the item considered as ‘stores’.
