

**CDM** project activity issuance review form

	this form, a Party involved (through the designated national nexecutive Board member may request that a review is undertaken)
Designated national authority/Executive Board member submitting this form (Name in print)	
Title of the proposed CDM project activity for which issuance is requested	0575 Água Doce Wind Power Generation Project
DOE that requested for issuance and date of request	SGS 27.07.2007
Please indicate, in accordance with you request review. (Place a cross	paragraphs 65 of the CDM modalities and procedures, for which reason(s) (X) in front of the reason)
Fraud Malfeasance	e _X_ Incompetence
Please indicate reasons for the requirem. (if space is not sufficient plea	uest for review and attach any supporting documentation to this request se attach further reasons)
mention how the two data were emission reductions. Further, to calculation because there was monitoring plan, which require	ration data from two sources, however, the verification report does not e compared and which data was confirmed for the purpose of calculating the DOE mentioned that, "the invoices are not used for the purpose of CER agreed a fixed monthly energy value." This is not in line with the s the amount of electricity supplied to the grid should be confirmed with the Further clarification is required.
	used instead of the net electricity supplied to the grid, clarification is on losses and the power consumption for the wind farm have been
