

Annex 55

Issuance

**Scope of the review on
“RIMA Fuel Switch in Bocaiuva” (0889)**

1. The Board agreed to undertake a review of the project activity “RIMA Fuel Switch in Bocaiuva” (0889).
2. The Board agreed that the scope of the review relating to issues associated with verification requirements shall cover an assessment to determine that baseline fuel has been calculated in accordance with the methodology since the applied methodology requires monitoring of the energy produced and not the energy input in the project scenario.
