

**Annex 37**

**Registration**

**Scope of the review on  
“Khon Kaen Sugar Power Plant”(1036)**

1. The Board agreed to undertake a review of the project activity “Khon Kaen Sugar Power Plant”(1036).
2. The Board agreed that the scope of the review relating to issues associated with validation requirements shall cover an assessment to determine if the project activity results in additional electricity, not consumed in the baseline, being supplied to the sugar factory and, if so, whether this has been incorporated in the investment analysis.
