

**Annex 51****Registration****Scope of the review on
“Enercon Wind Farm (Hindustan) Ltd in Rajasthan” (1168)**

1. The Board agreed to undertake a review of the project activity “Enercon Wind Farm (Hindustan) Ltd in Rajasthan” (1168).
2. The Board agreed that the scope of the review relating to issues associated with validation requirements shall cover a review to assess the additionality of the proposed project activity, through an assessment of the investment analysis, in particular, the suitability of the benchmark as the:
 - (a) Beta value used to calculate the benchmark is higher than the other similar registered CDM wind projects in India; and
 - (b) DOE has not substantiated the details of how the benchmark has been calculated.
