Dear Sir

**Way Ganga Hydro Power Project  
Term Loan of Rs 266 Million**

We refer to the telephone conversation you have had with us today.

We write to confirm that we had considered the benefits of accruing additional revenue from marketing Carbon Credits in evaluating the subject Project prior to granting the Term Loan of Rs. 266,000,000.

Our records indicate that we had raised this issue in our Letter dated February 15, 2001 and subsequently you responded by your Letter dated February 21, 2001 that you would be seeking the benefits of additional revenue from marketing Carbon Credits. Our credit evaluation was based on your said assurance.

Yours faithfully,

Rohantha Seneviratne
