Sub: Proposed second bay at WBIDC substation, Kharagpur for Ramsarup Lohh Udyog Limited.

Ref : RLUL/07/WBSEB/02/1536 dt. 28.03.2007

Dear Sir,

It may please be noted that the Structural Layout drawing submitted by M/s SIEMENS, our agency working for Kharagpur (WBIDC) Sub-station building work is under examination & process for approval. It is also confirmed that space for second bay for RLUL has been kept just by the side of your present bay as in the above drawing. However such second bay will be allotted to you depending on your load demand.
