Sub: Regarding status of Waste Heat Recovery Boiler Plant installation in the existing  
Sponge Iron Industries in the state.

Ref: Your letter dated KS/BRO/RE/Ind/03 Dated: 20.04.2006

Respected Sir,

With reference to the Letter dated and in response to the subject stated above it is to be informed that till date 23 (Twenty three) Sponge Iron based industries have been commissioned and out of which 5 (five) Sponge Iron industries are installed in such a way that their production level is 1.05Lakh MT/year or may be more than that. Out of 2 (two) installed sponge Iron plants it is learned that they are coming up with Waste Heat Recovery Boiler systems.

Yours faithfully  
D.P. Vidhyarthi  
Deputy Director of Industries
