M/s Hanuman Agro Industries Ltd.
Nicco House Block - C
6th floor, 2 Hare Street
Kolkata - 700001

Sub: N.O.C. for Establishment of Biomass based power generation plant of capacity 2.5MW in block Rajim, district Raipur.

Ref: Application of M/ s Hanuman Agro Industries Ltd. dtd. 05.07.06.

After duly considering the application submitted by M/s Hanuman Agro Industries Ltd. for establishing Biomass based power project of capacity 2.5MW, in block Rajim, district Raipur, CREDA hereby conveys its no objection for establishment of this power project, with the following conditions:

1. The party will have to obtain all necessary permissions/NOCs from competent authorities under the norms of Electricity Act-2003.
2. The party will have to compulsorily submit regular progress report of the project.
3. The party will have to start the installation work within one year from the date of issue of this letter, otherwise the NOC will automatically be deemed as cancelled.

Under the provisions of the section -7 of Electricity Act-2003, the party can go ahead to establish this project as per the directives/technical specifications laid by Central Electricity Authority under clause 'b' of section-73 of this Act, for construction of electric power plant, electric lines and grid-connectivity. The party will be responsible to comply with the directions/technical specifications, as per the regulations enacted by Central Electricity Authority, under this Act.

CREDA has already accorded Permission/NOC to 29 parties in the State of Chhattisgarh, and 05 parties out of 29, are already perusing to establish their Biomass based power projects in district Raipur. In future the party will be solely responsible for biomass availability/procurement, for this project. The ratio of biomass and coal shall be strictly as per MNES's guidelines i.e. 75:25.
