Subject: Project Design Document for Technopolis

Dear Sir,

Attached below please find the project design document for Energy efficiency measures in HVAC system of "Technopolis" for your inputs. Please take a close look at the entire document and revert to us in case you require any kind of clarification.

CDM PDD_Technopolis_17112006.pdf

Once we receive your final set of comments and inputs the compilation can be completed, and the project may consider the subsequent steps of obtaining Host Country Approval from the Ministry of Environment & Forests and validation (after a validator is appointed by Phoenix Software Limited for the project).

With kind regards,
