REF NO. _____

DATE 26.09.07

TO WHOM IT MAY CONCERN

This is to certify that for the entire Puri Municipality there is only one Solid Waste Management Project, which is owned by **KRISHI RASAYAN PRIVATE LIMITED** and it treats waste by aerobic composting. In absence of composting facility by Krishi Rasayan Private Limited, the waste would have been land-filled and there are no site having facility for recovery of Methane from land-fills.
