Dear Mr. Etti Khanna

This is in reference to the payment of invoice for services of E&Y for preparation of PIN documents.

We regret to inform you that considering our present shortage of funds, we are not in a position to release the payments of above invoice immediately. We would also like to discuss the consultancy fees of E&Y for this project based on the recent availability of small scale project methodology.

You are earnestly requested to revise the consultancy fees applicable for small scale project instead of large scale project.

Atul Churiwal

Subject: Revised Consultancy Charges

Dear Mr. Churiwal,

We have considered your request to revise the payment terms and conditions for the solid waste management project in Puri. We have also cancelled the last invoice (for payment against PIN development) as per new terms and conditions.

Please find enclosed below the draft of the revised engagement letter. We look forward to an early response from your side.

We also wish to bring to your notice that as part of our internal formalities and procedures we would require a confirmation from your side to cancel the earlier contract terms and conditions.

Yours truly,
Sudipta Das
