

**Annex 19****Registration****Scope of the review on****“Bhushan Power and Steel Limited–Waste Heat Recovery based Captive Power Project” (2519)**

1. The Board agreed to undertake a review of the project activity “Bhushan Power and Steel Limited–Waste Heat Recovery based Captive Power Project” (2519).
2. The Board agreed that the scope of the review relating to issues associated with validation requirements shall cover a review to determine the baseline of the project activity, in particular, a further substantiation of the determination that a coal based captive power plant is a realistic and credible baseline scenario in line with the requirements of the applicable methodology and VVM, para 83.
