25th September 2006

Mr. Shiv Agarwal,
Executive Director
K R Pulp and Papers Limited
Jalalabad Road, Shahjahanpur
Uttar Pradesh - 242 001

Dear Sir,

Sub: List of number of paper mills operating with Biomass based Co-generation system in the state of Uttar Pradesh.

As per the information available with us and to the best of our knowledge in the state of Uttar Pradesh the following are the units adopted biomass based co-generation facility.

Also based on the available information with us K R Pulp and Papers Ltd (KRP) is the first of few plants in the state to operate such a high -pressure configured boiler of similar economic scale in the paper sector of UP.

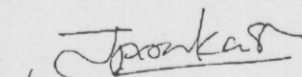

Mode of Power Supply	Number of Units
Power through state grid	45
Power through captive DG	30
Power through coal based Co-generation	3
Power through biomass based co-generation	2
Total	80

The information provided above on the basis of data available with us as on date.

I wish you all the best

Thanking you,

Yours faithfully,
For Indian Agro & Recycled Paper Mills Association

J. Prankar
Secretary General
