Dear Sir,

Subject: Host country approval under Clean Development Mechanism (CDM) for "Power capacity expansion project at Dwarikesh Puram" by Dwarikesh Sugar Industries Limited (DSIL), Bijnore, Uttar Pradesh

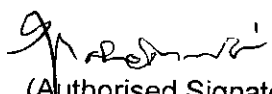

Dwarikesh Sugar Industries Limited is expanding the power capacity at its sugar manufacturing unit at Dwarikesh Puram. The **"Power capacity expansion project at Dwarikesh Puram"** would enable DSIL to generate additional power through bagasse which would displace fossil fuel dominated grid power. Thus the Project activity will reduce emissions of Green House Gases and will contribute towards the sustainable development of the community.

The Project Concept Note (PCN) and Project Design Document (PDD) for the above mentioned project have been prepared as per the guidelines of UNFCCC for CDM projects in a developing country under Kyoto Protocol. We are enclosing 20 hard copies and 2 CDs of the documents for your kind perusal.

We look forward to receiving the host country approval from MOEF under CDM for the above mentioned project.

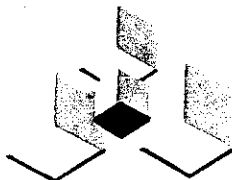

Thanking you

Sincerely yours

Dear Sir,

Subject: Host country approval under Clean Development Mechanism (CDM) for
"Greenfield power project at Dwarikesh Dham" by Dwarikesh Sugar Industries Limited
(DSIL), Bareilly, Uttar Pradesh

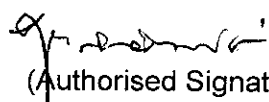

Dwarikesh Sugar Industries Limited is putting up a Greenfield sugar manufacturing unit at Dwarikesh Dham wherein high pressure boilers and turbines are being installed. The "Greenfield power project at Dwarikesh Dham" would enable DSIL to generate additional power through bagasse which would displace fossil fuel dominated grid power. Thus the Project activity will reduce emissions of Green House Gases and will contribute towards the sustainable development of the community.
