水城县发展和改革局 关于支持金狮子水电站申请 CDM 项目的意见

水城县金狮子水电发展有限公司：

你公司于 2005 年 4 月 2 日上报的《关于请求支持贵州省六盘水市水城县金狮子水电站申请 CDM 项目的请示》收悉，经研究，同意支持该项目申请 CDM 项目。

经审查，金狮子水电站位于中国贵州省六盘水市水城县比德乡境内的三岔河中游河段，为引水式水电站。该项目的实施将在发展中处理好发展与环境保护的关系，在保护环境的同时搞好自身发展，在发展中创造和谐，在和谐中加快发展，走可持续发展之路。作为当地发展和改革部门，我们完全支持金狮子水电站项目申报 CDM 项目。

The Opinion about Supporting Jinshizi Hydropower Station to Apply
Clean Development Mechanism Project by Shuicheng Development and
Reform Bureau

We have received the<The Letter about Asking for Instruction to Support Guizhou Shuicheng Jinshizi Hydropower Station to Apply as CDM Project>. After the research and examination, it is agreed to support this project to apply CDM project.

After the research and examination, Jinshizi Hydropower Station is located in the middle stream of Sancha River, Bide Village, Shuicheng County, Liupanshui City, Guizhou Province. This station is the diversion type run-of-river hydropower station. Thus, the implementation of this project should treat the relationship between development and environment protection appropriately which means develop sufficiently while protect the environment, create harmony during the development, and accelerate the development during the harmony, so as to develop in a sustainable way. As the local development and reform bureau, we totally support the Jinshizi Hydropower Station to apply as Clean Development Mechanism.
