## 关于请求支持贵州省水城县金狮子水电站 申请 CDM 项目的请示

水城县发展和改革局：

我公司贵州省六盘水市水城县金狮子水电站正在进行项目核准，虽然项目经济指标一般，但我公司从相关网址获得清洁发展机制（CDM）的相关信息，得知可以通过出售和转让温室气体减排量的方式，增加项目收益，提高经济指标。公司内部董事会决策中通过了申请 CDM 项目的决议，目前正在跟相关咨询单位洽谈。如果能够获得 CDM 项目收益，本项目的内部收益率将得到改善，贷款还本付息能力得到提高。因此，特向贵单位提出申请，以支持我公司本项目申请 CDM 项目的相关工作。

The Letter about Asking for Instruction to Support Guizhou Shuicheng  
Jinshizi Hydropower Station to Apply as CDM Project

The Shuicheng County Development and Reform Bureau:

The Guizhou Shuicheng Jinshizi Hydropower Station of my company is applying the project approval now. While the economic parameters for this project are bad, we have learned some relevant information about Clean Development Mechanism from the website. We learned that from selling and transferring the greenhouse gas emission reduction, the revenue of this project could be improved, and the economic parameters could be improved. So the internal directorate meeting decided to apply CDM project. Now, we are discussing with the relevant consulting entities. If the CDM revenue could be acquired, the internal rate of return for this project could be improved, the ability for repaying back loan and interest could be strengthened. Hereby, we presented the applying letter to you to support the work about applying CDM projects.
