Dear TUEV-SUED,

On behalf of the CDM Executive Board, we would like to notify you that the following proposed CDM project activity "Anshan Iron and Steel Group Corporation (Yingkou) Blast Furnace Gas Combined Cycle Power Plant Project" (Ref. no. 1608), submitted by your entity for registration, is under consideration for review because three requests for review have been received from members of the Board.

In accordance with the procedures for review as referred to in paragraph 41 of the modalities and procedures for the CDM (Annex III to decision 4/CMP.1, please refer to: https://cdm.unfccc.int/Reference/Procedures/review_proced.pdf) and related clarifications agreed by the CDM Executive Board, the following measures are to be taken:

(a) The consideration of a review relating to the proposed CDM project activity will be included in the proposed agenda of the 40th meeting of the Executive Board (to be held in Bonn, Germany, from 15 to 17 June 2008). We will be informing you shortly of the venue for this meeting. Please be also informed that the 41st meeting of the Board is tentatively scheduled for 30 July to 01 August 2008 in Bonn, Germany. For dates please refer to the UNFCCC CDM website as dates could be subject to change.

(b) The proposed CDM project activity will be listed on the UNFCCC CDM web site in the section "Request for review" (please refer to: <https://cdm.unfccc.int/Projects/review.html>).

(c) A notification will be sent through the UNFCCC CDM News facility.

We kindly request you to provide a contact person for the review process, including for a conference call, in case the Executive Board wishes to address questions to him/her during the consideration of the review at its next meeting.

Please note that, in accordance with the clarifications to implement the review process (version 08, adopted by EB38), you are invited to submit comments to the Board on issues raised in the requests for review (see <https://cdm.unfccc.int/Projects/review.html>) within two weeks of this notification. These inputs shall be made publicly available.

Please note that the deadline for submitting comments for this case is 01 June 2008. Alternatively, you may choose to submit your comments by 04 June 2008, in which case the request for review will be considered at EB 41. Should you wish to avail of this option, please inform us by 17:00 GMT on 28 May 2008. 1
