

Annex 32

Registration

**Scope of the review on
“Duerping Coal Mine Methane Utilization Project” (1900)**

1. The Board agreed to undertake a review of the project activity “Duerping Coal Mine Methane Utilization Project” (1900).
2. The Board agreed that the scope of the review relating to issues associated with validation requirements shall cover a review to assess the additionality of the project activity through an assessment of the application of the refurbishment costs on generators, the exchange rate adjustment and treatment of income tax in the investment analysis.
