

**Financial Proposal due to TÜV SÜD Service Description
"Validation of CDM projects"**

Industrie Service

Client: Mitsubishi UFJ Securities
Suite #3, 39th Floor Wisma GKBI
Jl. Jendral Sudirman No. 28
Jakarta 10210, Indonesia

Project title: 12 MW Biomasa (EFB and Palm Kernel) Power
Plant, Bangka, Sumatra, Indonesia

Request date: 2006-12-18

- Project Conditions:**
- the order can be terminated after each step (0 to 3)
 - applied methodology: AMS IIE and AMS ID
 - the assessment requires an on-site mission to Indonesia
 - external costs (e.g. travel expenses) are completely included in the given prices
 - no translation of the original validation report (English) is required

All Prices are lump sums which do not include any taxes or duties which might be necessary due to legal requirements. Additional efforts for the repetition of services, which will be caused by the contracting entity, will be quoted separately based on a daily fee of 1,060 € excl. travel expenses. At any change of the project conditions indicated above, which may occur during the contractual relationship of the principal and TÜV SÜD Industrie Service GmbH, the given prices will lose the validity. In this case it is necessary to conclude an agreement based on a new financial proposal.

The contractual relationship is governed by the General Terms and Conditions of Services Contracts of TÜV SÜD Industrie Service GmbH, which are attached to this proposal.
