

**Annex 26****Registration****Scope of the review on  
“Yuquan 16 MW Hydro-electric Power Station Project” (2002)**

1. The Board agreed to undertake a review of the project activity “Yuquan 16 MW Hydro-electric Power Station Project” (2002).
2. The Board agreed that the scope of the review relating to issues associated with validation requirements shall cover a review of the additionality of the project activity, through an assessment of
  - (a) the investment analysis, as the assumptions related to the tariff applicable to the project activity are not consistent with the feasibility study report and therefore the Board wishes to assess the suitability of the tariff assumption contained in the PDD submitted for registration; and
  - (b) the common practice analysis, in particular, the exclusion of similar hydropower plants below 15 MW.
