

**Annex 31****Registration****Scope of the review on****“Yunnan Jinping Miao-Yao-Dai Autonomous County Kesikou Hydropower Station” (2064)**

1. The Board agreed to undertake a review of the project activity “Yunnan Jinping Miao-Yao-Dai Autonomous County Kesikou Hydropower Station” (2064).
2. The Board agreed that the scope of the review relating to issues associated with validation requirements shall cover a review to assess the:
 - (a) additionality of the project activity through an assessment of the: (i) estimated total investment; and (ii) assumed electricity tariff as the assumptions related to the tariff applicable to the project activity are not consistent with the feasibility study report and therefore the Board wishes to assess the suitability of the tariff assumption contained in the PDD submitted for registration; and
 - (b) suitability of metering of electricity exported to the grid as it is not clear why monitoring plan should not be revised to use meter M3 to monitor the electricity exported to the grid.
