

**Annex 44****Registration****Scope of the review on
“Sichuan provincial Longchi & Caoyuan 9 MW Small-scale Hydro Power Bundle Project ”
(2071)**

1. The Board agreed to undertake a review of the project activity “Sichuan provincial Longchi & Caoyuan 9 MW Small-scale Hydro Power Bundle Project ” (2071).
2. The Board agreed that the scope of the review relating to issues associated with validation requirements shall cover a review of the additionality of the project activity through an assessment of:
 - (a) the prior consideration of the CDM, as a complete explanation of the timeline of the project implementation and the actions taken to secure CDM status has not been provided; and
 - (b) the investment analysis, as the Board requires further explanation of costs which were irrevocably committed to prior to the cessation of construction and which therefore would have constituted financial losses to the project developer in the absence of the recommencement of construction.
